Federal Office of Civil Aviation FOCA

This is to certify that

Thomas Jürgen

has successfully passed the assessment as

Security Manager of a Known Consignor

The certificate holder is approved to execute the function of Security Manager at a Known Consignor site in accordance with the National Civil Aviation Security Programme of Switzerland (NASP).

Subject to changes in legal requirements, this certificate is valid until 25 October 2026.

The validity of this certificate is based on the successful passing of the refresher course (every two years), provided by Swiss FOCA or a delegated entity.

Bern, 09 December 2020
