n \leq 30100 divisions
T \leq -Max

Temperature range +10 °C / +30 °C

OIML Member state

The Netherlands

This Certificate attests the conformity of the above identified type (represented by the sample or samples identified in the associated Test Report, the type-approval certificate and the description with number T7542 and the appertaining documentation folder) with the requirements of the following Recommendation of the International Organization of Legal Metrology (OIML):

R76

Edition 1992 (E)

for accuracy class **II**

This Certificate relates only to the metrological and technical characteristics of the type of instrument covered by the relevant OIML Recommendation identified above.

This Certificate does not bestow any form of legal international approval.

The conformity was established by the results of tests and examinations provided in the associated Test Report:

N° R76/1992-NL1-09.13 that includes 52 pages.

This revision OIML Certificate of Conformity replaces the earlier version.

The Issuing Authority NL1

NMi Certin, 27 August 2009
